SUBJECT: UNSCR 1747: GREEKS CONCUR ON BROAD DEFINITION OF
"ARMS AND RELATED MATERIEL"

REF: SECSTATE 67462

1. (U) On May 22, A/Polcouns discussed reftel demarche issues with non-proliferation expert Dionyssios Kivetos of the MFA D1 Directorate for International Organizations. Kivetos said the Government of Greece fully agreed with the broad definition of "arms and related materiel" advocated by the U.S. for the implementation of UNSCR 1747 and was "blocking everything we know about" from being shipped to Iran. Kivetos also said that he would ensure that Greece reported its implementation of the resolution by May 24, as required.
